Development of two-storey villas with private pool and high-quality finishes. The ground floor is open concept and consists of a bedroom, a bathroom and living-dining room with kitchen with island. From the living room, we access to the porch and the sunny pool terrace. The upper floor is distributed in two bedrooms, both with en-suite bathroom that have direct access to the large solarium. In some villas, there will be sea views from this floor. Outside, there is also a parking area and a nice [...]
